SREE NARAYANA COLLEGE FOR WOMEN KOLLAM

Annual Report 2015-16

The academic year 2015-2016 was an eventful one for Sree Narayana College for Women, Kollam with the visit of the NAAC peer team in November 2015. The whole college was busy with the preparations to receive the team to fulfill the requirements of the UGC. With team effort and wholehearted cooperation of the members of the staff and students, we were able to impress the NAAC team with our achievements over the past five years.

Academic Sphere

The academic performance of the students is systematically evaluated through internal exams, assignments & seminars. Those students with poor outcome were given remedial classes by the concerned faculty members. An initiative of KSHEC named Walk With a Scholar (WWS) scheme is implemented in our college to provide specialized mentoring programmes for under graduate students in Arts, Science and Commerce with an aim to shape their future career. CLMC prepares and distributes semester wise programme calendar, circulates notices on changes relating to the CBCSS system, make necessary arrangements for the conduct of two sets of test papers for all the programmes in each semester, take necessary steps for implementing Open Courses for each programme during the fifth and sixth semester, takes step to allot Social service/ Extension Activity (Club Activity) for students of 3rd and 4th semester, examine the complaints of students regarding the internal grade marks, ensure that the internal grade sheets are prepared and displayed on time and conduct regular meetings with DLMC to ensure effective implementation of the CBCSS programme.

Academic Achievement of Students

The College is always at the forefront both in academic and extracurricular activities. The results of the first batch of the newly started M.A. course also brought laurels to the institution.

Annual Report 2017-18

Sree Narayana College for Women stands as a proud and triumphant symbol of a renascent and progressive society ushered in by the spiritual effulgence and vision of the great Guru. This prestigious institution has a great tradition of producing meritorious students from its very inception. It is with profound feeling of joy that we present a brief report of the college activities during the academic year 2017-18

Academic Sphere

The academic performance of the students is systematically evaluated through internal exams, assignments & seminars. Those students with poor outcome were given remedial classes by the concerned faculty members. An initiative of KSHEC named Walk With a Scholar (WWS) scheme is implemented in our college to provide specialized mentoring programmes for under graduate students in Arts, Science and Commerce with an aim to shape their future career. CLMC prepares and distributes semester wise programme calendar, circulates notices on changes relating to the CBCSS system, make necessary arrangements for the conduct of two sets of test papers for all the programmes in each semester, take necessary steps for implementing Open Courses for each programme during the fifth and sixth semester, takes step to allot Social service/ Extension Activity (Club Activity) for students of 3rd and 4th semester, examine the complaints of students regarding the internal grade marks, ensure that the internal grade sheets are prepared and displayed on time and conduct regular meetings with DLMC to ensure effective implementation of the CBCSS programme.
